Welcome to the GCU Annual Report Issue

Welcome to the GCU's 2024 Annual Report issue of the *GCU Magazine*. The year 2023 proved to be very challenging for all financial institutions under the current high interest rate environment coupled with investment market volatility, uncertain US & global economies and continued concerns over inflation. Despite the headwinds faced, GCU experienced continued growth in assets and surplus along with recording a net gain from operations. Assets increased \$63 million totaling \$2.7 billion, surplus increased \$1.8 million totaling \$221.3 million with net income from operations of \$10.7 million for year-end 2023. Despite the competitive annuity and life insurance marketplace GCU experienced \$359 million of annuity premium including exchanges, achieving 84.3% of our goal of \$425 million. Recorded life premium of \$9.4 million fell slightly short of our goal of \$10.4 million. Our sincere appreciation to our members and agents for the continued support and trust you have placed in GCU that enables us to present continued financial stability. We invite you to review our Chief Financial Officer Tim Demetres' full detailed report on the GCU's 2023 financial performance beginning on page 6.

Seven Oaks Country Club, Inc., a subsidiary of the GCU Holding Company, Inc., and the primary financial activity within the Holding Company recorded record total revenues of \$4.6 million, primarily fueled by membership dues, initiation fees and food & beverage sales. The continued improved revenues are attributed to the renovations to the entire facility over the last several years and the opening of the new Swimming Pool and Racquet Complex that opened in June 2023. The master renovation plan to Seven Oaks is now complete and is reflective of the GCU as a \$2.7 billion fraternal benefit society that will continue to improve the financial position of the Club!

The GCU Real Estate Company, Inc., another subsidiary of the Holding Company, had no sales activity in 2023. We experienced the sale of one lot thus far in 2024 as there are six remaining lots in the single-family development at Congressional Place. Pinehurst Village, a multi-family carriage home development within Seven Oaks under the ownership of Castlebrook Development, currently has five units under construction.

We invite you to visit the entire campus of the GCU that includes the Home Office, our St. Nicholas of Myra Chapel, Seven Oaks Country Club, the real estate development and the most spectacular landscape that nature has to offer. You will certainly be impressed and proud to be a GCU member!

Our St. Nicholas of Myra Chapel was constructed as a memorial to our Founders and to honor the many generations of GCU Members throughout our one hundred and thirty-two years of history. The Chapel was initially dedicated and opened in June of 1992. The basement of the Chapel houses a museum that contains various artifacts of GCU's history. The GCU Museum will be rededicated on Sunday, May 5, 2024 in conjunction with celebrating the "Spring St. Nicholas" Feast Day. More information on this event is presented on page 16. Our thank you to Spiritual Advisor Fr. Val Michlik for his leadership in organizing this event!

We concluded the first full year under the GCU's new Fraternal Metamorphosis Program. Once again, our gratitude and thank you to each of our Constellation and Byzantine Catholic Parish Coordinators. We certainly reached two of our major goals with this new format to expand the GCU's presence in many new communities and our Byzantine Catholic Parishes and in attracting new GCU faces to the various fraternal activities that were planned throughout

the year. We invite you to participate in the many volunteer, fundraising and social events planned in 2024. Please visit the GCU's website – www.GCUusa.com – and “click” on **Events** to view the various activities scheduled.

Per the current Bylaws of the GCU, an election for members to the Board of Directors will be conducted amongst all GCU adult benefit members (*18 years of age and older*) this year. A timeline of the entire election process is presented on this page. The Board of Directors has once again contracted with Broadridge Financial Solutions, Inc., a leading provider of annual meeting and voting related services to conduct the entire election process from the mailing to the tabulation of the ballots.

Our sincere thank you to the Board of Directors for their faith and trust given to our Executive Officers, Department Directors and Supervisors and our entire Support Staff! Your guidance and recognition of all our conscientious efforts is greatly appreciated—that plays a most critical role in our continued success! We express our thank you to **YOU**, our members and to our **AGENTS** for the life and annuity business you have placed with the GCU!

In closing, my best wishes to you and your family that you are protected by the hand of God and may our Patron St. Nicholas also continue to provide the wisdom and guidance to the current leadership of the GCU to successfully navigate through current and future challenges.

As we are in the midst of spring, enjoy the beauty of nature as it revitalizes itself from its winter slumber. This transformation is such an astonishing feat only God could provide—ENJOY!

As always, please contact me with any questions or concerns!

GOODNESS IS GREAT!

Securing Your Retirement

The Benefits of a GCU Single Premium Immediate Annuity for Guaranteed Income

In today's uncertain financial landscape, planning for retirement has become increasingly complex. With volatility in markets and uncertainty about the future of social security, many individuals are seeking ways to ensure a steady stream of income during their retirement years. One powerful tool that has gained popularity in recent years is the Single Premium Immediate Annuity (SPIA). Offering peace of mind and financial security, SPIAs provide a reliable source of guaranteed income throughout retirement. Let's explore the benefits of this investment vehicle and how it can help you achieve your retirement goals.

What is a Single Premium Immediate Annuity? SPIAs are a type of annuity contract where a lump sum of money is deposited with an insurance company in exchange for a guaranteed stream of income that starts immediately, typically within one year of purchase. Unlike other types of annuities that may offer deferred payments, SPIAs provide immediate income, making them an attractive option for individuals who are already retired or nearing retirement age and seeking to convert a lump sum of savings into guaranteed income.

Benefits of a Single Premium Immediate Annuity

- **Guaranteed Income Stream.** One of the most compelling benefits of a single premium immediate annuity is the assurance of a steady income stream for life. Upon purchasing the annuity, payments begin immediately and continue for the rest of your life, regardless of market conditions or economic fluctuations. This guaranteed income can provide financial stability and peace of mind, allowing you to enjoy your retirement years without worrying about outliving your savings.
- **Protection Against Longevity Risk.** Outliving your retirement savings, also known as longevity risk, is a common concern for retirees. With a single premium immediate annuity, you can mitigate this risk by converting a portion of your savings into a lifelong income stream

that starts immediately. Regardless of how long you live, you will continue to receive payments, ensuring that you can maintain your standard of living and cover essential expenses throughout retirement.

- **Predictable Payments.** SPIAs offer predictable payments that are determined at the time of purchase based on factors such as your age, the amount of the initial investment, and prevailing interest rates. Unlike other investment vehicles that may fluctuate in value, SPIA payments remain stable and consistent, providing you with a reliable source of income to budget and plan for your retirement expenses.
- **Estate Planning Benefits.** In addition to providing lifetime income for the annuitant, single premium immediate annuities can offer estate planning benefits for beneficiaries. With certain annuity riders or contract features, you can ensure that any remaining funds are passed on to your heirs or designated beneficiaries after your death. This can provide a valuable legacy for your loved ones while also avoiding the probate process and potential estate taxes.

Conclusion. As individuals approach retirement, ensuring a reliable source of income becomes paramount. A GCU Single Premium Immediate Annuity offers a compelling solution, providing guaranteed income protection against longevity risk, predictable payments and estate planning benefits. By converting a lump sum of money into a stream of immediate payments, retirees can enjoy financial security and peace of mind throughout their golden years. However, it's essential to carefully evaluate your financial situation and consult with GCU to determine if a Single Premium Immediate Annuity aligns with your retirement goals and risk tolerance. With proper planning and consideration, a Single Premium Immediate Annuity can be a valuable tool in securing your financial future.

2023 Financial Results

We began 2023 with the Federal Reserve implementing a series of interest rate increases to moderate growth and tame inflation rates not seen in 40 years. These increases resulted in significant volatility in financial results stemming from rising crediting rates, investment valuations and cash flows. Short-term yields were at the highest levels not seen in 10+ years. Notwithstanding, the U.S. economy remained resilient in a tight labor market. In the fourth quarter, the Fed announced it was pausing and rates began to levelize. We look ahead to 2024 being a year of stabilized market yields and adding new features to our life and annuity products. Our rating agencies have reaffirmed the A- (excellent) financial strength rating.

GCU's total assets increased \$63 million to \$2.7 billion and surplus surpassed \$221 million as of December 31, 2023. We are committed to serving our members and community as we have since 1892.

Highlights of 2023

Income before net realized capital gains (losses) totaled \$10.7 million in 2023 compared to \$20.9 million reported in 2022. The gain from operations was lower in 2023 primarily due to increasing crediting rates on annuity contracts. Net income after realized capital gains (losses) was \$5.9 million in 2023 compared to \$18.1 million in 2022. We had \$4.6 million in net realized capital losses primarily from the disposal of a bond fund in 2023.

Total Assets increased \$63 million growing invested assets and increasing short-term liquidity. The increase in interest rates provided an opportunity to partially rebalance portfolio holdings achieving three key goals:

- a) increase credit quality;
- b) shorten duration risk; and
- c) improve investment returns.

We continue to employ a diversified asset allocation strategy to appropriately manage risk.

Liabilities grew \$61 million to \$2.483 billion in 2023 compared to \$2.422 billion at year-end 2022. Life and annuity reserves increased \$54.1 million along with a \$9 million increase in the asset valuation reserve (AVR - a reserve for future credit losses).

Total Income in 2023 was \$490.0 million, a decrease of \$17.5 million compared to \$507.5 million in 2022. Life and annuity sales, including conversions, decreased only \$19 million year over year.

Operating expenses, before the increase in reserves, totaled \$425.4 million in 2023 versus \$255.6 million in 2022.

In 2023, GCU disbursed \$113.8 million more in annuity benefits in death claims, full surrenders and partial withdrawals. Annuity exchanges increased \$56.6 million from members moving to new contracts offering higher crediting rates. Commissions paid agents decreased \$2.2 million commensurate with lower life and annuity sales. General insurance expenses were only \$649.7 thousand higher in 2023 when compared to 2022. Pension expenses decreased \$397 thousand due to lower retirement distributions.

The increase in reserves totaled \$53.9 million in 2023 compared to \$230.9 million in 2022. Reserves generally increase from premiums received and interest accumulation offset by decreases from death claims and annuity benefit payments.

Surplus grew to \$221.3 million in 2023 compared to \$219.5 million at year-end 2022. The \$1.8 million net increase in surplus reflects the additions of \$5.9 million of net income and a \$6.2 million increase in unrealized gains offset by a \$9 million increase to the AVR and \$1.0 million net loss of GCU Holding Company and Subsidiaries.

Total Adjusted Capital (TAC) was \$249.3 million at December 31, 2023. TAC starts with surplus of \$221.3 million and adds the asset valuation reserve of \$27.9 million and one-half the dividend liability of \$150,000. TAC is a financial strength measure closely monitored by rating agencies. The solvency ratios based on TAC were 110.2% and 109.9%, as of December 31, 2023 and 2022, respectively. These strong ratios reflect GCU's commitment to financial strength.

Spring returns, Enjoy! Tim

Christ is Risen!

Christ is Risen! Christos Voskrese!

Now on the first day of the week Mary Magdalene went to the tomb early, while it was still dark, and saw that the stone had been taken away from the tomb. Then she ran and came to Simon Peter, and to the other disciple, whom Jesus loved, and said to them, "They have taken away the Lord out of the tomb, and we do not know where they have laid Him."

Peter therefore went out, and the other disciple, and were going to the tomb. So, they both ran together, and the other disciple outran Peter and came to the tomb first. And he, stooping down and looking in, saw the linen cloths lying there; yet he did not go in. Then Simon Peter came, following him, and went into the tomb; and he saw the linen cloths lying there, and the handkerchief that had been around His head, not lying with the linen cloths, but folded together in a place by itself. Then the other disciple, who came to the tomb first, went in also; and he saw and believed. (John 20:1-7)

As the apostle Peter arrived at the tomb, he went right in. He sees the linen clothes lying there, but there was something unusual. Something caught his eye: the napkin/handkerchief! The napkin, which was placed over the face of our Lord, was NOT thrown aside like the linen/burial cloths. The napkin was neatly folded together "in a place itself." Should this mean anything to us?

The folded napkin had to do with the notion of the Master and Servant according to Hebrew tradition. You see when the servant would set the dinner table for the master of the house, the servant made sure that all was furnished perfectly, including the placement of the napkin on the table.

During the course of the evening when the master of the house was done eating, he would rise from the table, use the napkin to wipe his fingers, his mouth, and afterwards he would toss the napkin onto the table. Tossing the napkin onto the table was a signal for the servant that the master is done eating and it is time to clean up the table.

But if the master got up from the table, and folded his napkin, and laid it aside... that contained a message for the servant. That folded napkin meant "I'm not finished yet" or "I'm coming back!"

You see my friends, when the apostles Peter and John entered the empty tomb and saw that folded napkin/hand-

kerchief laying to the side they understood the meaning of that. The apostles Peter and John knew that their Master, Teacher, and Friend was coming back, because they saw that the napkin is still folded!

This napkin, when it is properly understood, is a message of hope and joy from our Risen Lord!

Since we are celebrating Easter - Pascha allow me to offer a funny story: A Sunday school teacher was asking her six-year-olds about the meaning of Easter. "Children," she said, "Do you know why we celebrate Easter?" A little girl raised her hand. "Yes Jenny," said the teacher. Jenny said, "Is Easter when we put on costumes and go trick-or-treating?" "No, Jenny. That's Halloween. Does anyone else know?"

A little boy yelled, "It's when we set off fireworks!" "No Jimmy, that's 4th of July. Anybody else?" A shy little girl in the back said, "Easter is when Jesus died." The teacher replied, "That's right Shauna. And what happened to Jesus that makes Easter special?" "Well, he died and got buried. And every Easter he comes out. And if he sees his shadow there's 6 more weeks of winter."

You've probably heard that joke before, but the sad part is that many in our world today do not know what the true meaning of Pascha - Easter is all about.

Since the napkin is still folded for you and for me it is our sacred duty to share and teach the world around us (starting at home) what the true meaning of Pascha - Easter is.

Pascha stands as the cornerstone of our Holy Faith, marking the Resurrection of Jesus Christ. It signifies the

victory over death and sin, offering believers the promise of eternal life. The Resurrection is so central to us as Byzantine Catholics that all elements of the faith revolve around it, making Pascha - Easter the most important and joyous celebration of the ecclesiastical year. Pascha - Easter is not just a historical commemoration but a present reality. It is not just about the Easter basket, and the wonderful Easter food we enjoy every year, but it's seen as a chance to spiritually rebirth oneself, to shed the old ways and embrace the new life in Christ. And this renewal is not a private undertaking but a communal one in our parishes and families. We can demonstrate this as we gather together to break the Lenten fast, share the Paschal meal, and exchange greetings of "Christ is Risen-Christos Voskrese" to which we reply, "Indeed He is Risen-Voistinu Voskrese."

Friends, the napkin is still folded!

Therefore, as we celebrate Easter - Pascha, which stands as a beacon of hope and renewal in our lives, it is my humble wish that this will be a time when the breaking of bread, the sharing of dyed eggs, ham and other great foods become profound acts of faith and unity.

Singing the "Christos Voskrese - Christ is Risen" in front of the closed doors of our parish church and hearing our faithful sing this hymn of victory has always been a source of joy and spiritual rejuvenation for me. It's in these moments that we truly grasp the essence of our faith—celebrating the Resurrection and embracing the communal spirit that defines us. May this festive season renew our spirits, reminding us of the enduring power of our shared beliefs and the joyous celebration of life's triumph over death.

Christ is Risen! Christos Voskrese!

Celebrating the "Spring St. Nicholas" Feast Day

O who loves Nicholas the Saintly, O who serves Nicholas the Saintly, Him will Nicholas receive, And give help in time of need, Holy Father Nicholas!

Since 1992, the St. Nicholas Chapel, which is a replica of the wooden Greek Catholic Churches in the Carpathian Mountain, has beautified the grounds of the GCU headquarters. Since the consecration in 1992 there has not been many opportunities sponsored by GCU for members to come and worship in this beautiful setting.

Spiritual Advisor Fr. Val Michlik is establishing a "Spring St. Nicholas Day" at the Chapel. Yes, "spring" you read that correct! We are all familiar with the December 6th feast day of St. Nicholas. The Sunday closest to this winter date each year we honor in a special way our holy father Nicholas the Wonderworker at St. John Cathedral in Muncy, PA followed by a festive banquet. However, May 9th is observed in our liturgical calendar as the "Translation of the Relics of Saint Nicholas the Wonderworker from Myra to Bari." This commemoration was established in the life of the church when on May 9, 1087, they solemnly transported the Relics of Saint Nicholas into the church of Saint Stephen, not far from the sea in Bari, Italy. The solemn bearing of the relics was accompanied by numerous healings of the sick, which inspired still greater reverence for God's saint. A year afterwards, a church was built in the name of Saint Nicholas and consecrated by Pope Urban II.

Since The GCU Chapel is dedicated to this wonderful saint, Fr. Val has proposed that the first Sunday in May be established for GCU members and all the faithful, as an opportunity to gather at St. Nicholas Chapel in Beaver, PA to honor its patron saint.

This initial celebration will be extra special with the blessing of the replica of the Krasny Brod (Красный Брод) Icon of Our Lady. Till this day, near the Rusyn village of Krasny Brod, there is one of the oldest and most important

monasteries of the Byzantine Catholic Church in Slovakia - Monastery of the Descent of the Holy Spirit. For centuries our faithful have gathered at this monastery to honor Our Lady of Krasny Brod. The replica icon will be blessed and enshrined on Sunday, May 5, 2024, at St. Nicholas Chapel.

St. Nicholas Chapel will have a Divine Liturgy with this special celebration taking place in the afternoon at 3 PM.

We will begin with the Blessing of the Icon, followed by a festive Divine Liturgy. At the conclusion of the Divine Liturgy (weather permitting) there will be a procession around the Chapel with the Icon of Our Lady. This will conclude the Liturgical celebration.

The celebration will continue with the solemn reopening of the downstairs museum. The museum will be open until 5:30 PM for those who would like to visit.

A banquet at Seven Oaks Country Club will follow.

Due to the Chapel's size the event will be on a first come first served basis and will require registration—limited to the first 80 members who register on the GCU website. The banquet is open to all at a cost of \$40/person and must be registered and prepaid on the GCU website.

Lessons in the Law

What About the Children?

I am often asked if my child needs any type of legal document or estate planning. The quick answer is yes, if your child is 18 years of age or older. Especially if your child is away at college, the parent needs to have the child's estate planning, financial planning and health documents.

Just like any of us, your child needs a will, a financial power of attorney and health advanced directives. Why?

I had a case where a 20-year-old child was killed in an accident. Mom raised this child and dad was not involved at all with raising his child. Since the child did not have a will, mom and dad had to split the insurance proceeds 50/50. Mom was beside herself and very upset her ex-husband received those funds.

If the child had a will, mom probably would have received 100% of the insurance proceeds.

If your child has a financial power of attorney, the designated parent can have access to the child's bank account, talk to and pay automotive insurance and actually get grade information from the college the child is attending.

Then there is the need for advanced directives – durable power of attorney for health care and living will. There is a misconception that because you are the child's parent you have the right to obtain their medical records and make medical decisions if the child was hospitalized

and unable to communicate with the doctors. Without the documents, you cannot get access to medical records or make any medical or end of life decisions.

Many years ago, a mom and dad were visiting my wife and I when they received a call that their son was injured in Colorado while skiing. The parents could not get any medical information by telephone. No one would talk with them or update them about their son's health status. The dad was on the next flight to Colorado to check on their son. If the son had a healthcare power of attorney, it could have been faxed or emailed and the parents could get the information.

A lot of your children will be coming home for the summer, now is the time to make sure your child executes these documents. We hope you never need to use them, but having them in place can be a lifesaver.

As I always say, see a qualified attorney who concentrates in this legal area.

Mittens for Memories

Helping Alzheimer's Association & American Cancer Society

Beaver Falls, PA. GCU GoGive! seed money, aided in raising \$10,000.00 for the Alzheimer's Association and \$2,500.00 for the American Cancer Society in 2023. Over seven years we have donated a total of \$52,000.00 to the Alzheimer's Association and several more thousand to the American Cancer Society. We do this by making mittens from upcycled wool sweaters. Our family and friends meet throughout the year once a week to sew mittens. When the fall months arrive, we attend various craft shows to sell the mittens. It has become a successful outreach not only monetarily but therapeutically for our family and for many other families. Thanks to the GCU for the seed money—that \$250.00 was multiplied many times to benefit the Alzheimer's Assoc. and American Cancer Society. We donate to Alzheimer's in memory of our dear Gary, who battled this horrible disease for 12 years. Many family and friends have been afflicted by cancer, so we also donate to

Dress A Girl Around the World

Once again, GCU's *GoGive!* program has provided funding for the **Dress A Girl Around the World** charity. This year it is celebrating 15 years of providing dresses to little girls around the globe who live in extreme poverty. Founded in 2009 by Rachel Eggum Cinader, the organization has donated over 3 million dresses to girls in 90 countries. These nations extend from Afghanistan

to Zimbabwe, including the USA. Native American children in South Dakota and Arizona, Appalachian missions, hurricane survivors in Florida as well as Ukrainian refugees in Canada are all recipients. This GCU member has made 267 dresses to date.

A new dress can change a girl's future. Because of their gender, they are regarded as having little or no value and they can be bought and sold. A girl in rags is in more danger than a boy in rags. As the missionaries place the dresses over the girls' heads, they emphasize that God loves them and that someone else loves them, too, to have made a dress for them.

After drug smuggling and arms dealing, sex trafficking is the third most prevalent crime in the world. Every 30 seconds, a child is kidnapped, most being 12-14 years of age. Eighty percent of them are forced into sex trafficking with 19 percent becoming forced labor. Sadly, 1.2 million children are kidnapped into these criminal activities annually.

To help protect these girls, the dresses have to be carefully made and restrictions apply. After all, they will be washed

in rivers and streams and beaten on rocks. They must be at least knee-length or longer, have no buttons, zippers, snaps or Velcro. They must be secured with fabric ties only. If something breaks, the families are unable to repair it. Also, they must be pulled over the head to wear. Some fabric no-no's include cartoons, patriotic designs, religious and holiday designs or writing. Instead, volunteers choose cheery florals, animals, batiks or hearts, etc. Most importantly, the fabric must not be see-through. Finally, a label is sewn on the front of the dress telling would-be traffickers that she is protected by and loved by an organization.

What if you can't even sew a button on? You can still help! If you go to the website, and click on SHOP, you can purchase items like t-shirts, hoodies, greeting cards, mugs, etc. You can even participate in their Buy a Dress... Give A Dress. You purchase one dress and its look-alike is sent to a girl in need. There are many styles, sizes and lengths to choose from.

One of the **Dress A Girl Around the World's** goals is to: "Imagine a world where every little girl owns at least one dress! What if that dress was made by you?"

For more information, please visit dressagirlaroundtheworld.com for more information and learn how you can get involved!

Active Shooter Training

On Saturday, February 17, St. Pius X Church had the pleasure of having Steve Mescan SWAT team officer for the City of Pittsburgh speak about active shooter training. Representatives from a number of organizations in the community were invited and 20 people attended.

He brought to light a lot of useful information that should be incorporated to help prevent a serious event. Some of his important points were: Notice suspicious activity and have a plan of escape in mind, since most places of worship try to be welcoming and doors are open for people to join in worship.

After his talk all were invited for light refreshments in the church hall. It was nice to spend some time with our community neighbors. We hope all in attendance took home useful information to share with their family & organizations. Thanks to the GCU Parish Social Grant for assisting.

Ss. Peter & Paul Braddock extends heartfelt gratitude to GCU for their continued support as the parish celebrated its annual Fashengy on Sunday, February 11. The event, held in anticipation of The Great Fast (Lent), brought together the

Fashengy is a cherished tradition, serves as a prelude to the solemn season of Lent. GCU Founders' Day—Happy 132nd Birthday

GCU still has a local presence in the Hermitage area even though Lodge 258 no longer “officially exists.” The GCU has re-organized its fraternal outreach and is still involved in the parish and community. The Byzantine Parish Coordinator for St. Michael parish is Bill Dzuricko. The new GCU programming provides a \$1,000.00 donation to the parish. The

GCU also makes an annual donation to the Community Food Warehouse. In addition, the BPC receives a \$500.00 grant, in the form of a debit card, to support parish social events during the year. Last year the card provided: 1) individually wrapped, heart shaped cookies for the parishioners to celebrate

Founders' Day; 2) US & Papal Flags for our annual Flag Day program and 3) Cards (from the Sisters of St. Basil in Uniontown, PA) and stamps for our weekly “Sign-A-Card” program. Last year a very

successful October Auction and Raffle qualified for \$3,000.00 in Parish Matching Funds from the GCU!

St. Michael Church began 2024 celebrating GCU Founders' Day on Sunday, February 11, with individually wrapped heart shaped cookies for all parish members to take. Happy 132nd Birthday!

GCU offers excellent insurance and investment products. If you have any questions, ask Bill Dzuricko or visit their website at GCUusa.com.

GCU Culinary Chronicle Cookbook

The GCU Culinary Chronicle Cookbook was first published in 1985 as a fund raising tool for the proposed construction of a wooden church on the GCU property in Beaver, PA. The dream was realized with the completion

of the GCU St. Nicholas Chapel in 1992. The cookbook, over 270 pages of favorite family and ethnic recipes, has continued to be very popular. The proceeds from sales now benefit the GCU Foundation with \$1 from each book sold going directly to the GCU Cause of the Quarter. The cookbook

is available in its original printed version for a cost of \$20 (\$10 plus \$10 for shipping) or in a downloadable version (PDF) for the cost of \$8. Order and pay with a credit card at GCUusa.com/Giving Back/Cookbook.

St. Mary Marblehead Cookbook Fundraiser

St. Mary Byzantine Catholic Church in Marblehead, OH has compiled a cookbook as a fundraiser to benefit the church's building fund for roof replacement at the church, hall and rectory. The ethnic cookbook is a compilation of three previous church cookbooks -- the Centennial Cookbook (1997), St. Mary Dedication Cookbook (1977) and "The Best in Cooking" in Marblehead.

If you are interested in purchasing a cookbook (or several), please contact Diane Glovinsky at glovinskydma@gmail.com. Your response will help determine the approximate number of cookbooks to print. The cookbook will be reasonably priced and is expected to be available in early summer. The entire purchase price will benefit the church.

St. Mary Church is located adjacent to the historic Marblehead Lighthouse. Services are held Saturdays at 4 PM and Sundays at 10 AM. All are welcome! For more information visit stmarymarblehead.com.

Remembrances

Reverend Monsignor Russell Andrew Duker, SEOD

Reverend Monsignor Russell Andrew Duker, SEOD, a retired priest of the Byzantine Catholic Archeparchy of Pittsburgh, fell asleep in the Lord on January 22, 2024, at Mt. Macrina Manor, Uniontown, PA.

He was born on August 24, 1943, in West Aliquippa, PA, the youngest of the children of Stephen D. Duker and Mary A. Varhola. He received his elementary education at Washington School and in 1961 graduated from Aliquippa High School. He attended Geneva College in Beaver Falls, PA where he earned a Bachelor of Science degree and was graduated "Summa Cum Laude" in 1964. He also did graduate work at the University of Pittsburgh. He then entered Ss. Cyril & Methodius Seminary and attended Duquesne University.

In the fall of 1967, Monsignor Russell was assigned to complete his seminary studies in Rome, at the Pontifical North American College. While there he attended the Gregorian University and the Pontifical Institute for Eastern Studies and was awarded the Baccalaureate Degree in Sacred Theology.

Returning to the United States in 1970, he was ordained to the priesthood in his home parish of St. George in Aliquippa on September 20, 1970, by Archbishop Stephen J. Kocisko.

Monsignor Russell's first priestly assignment was assistant at St. John Cathedral in Munhall, PA., and he was also appointed assistant chancellor and secretary to Archbishop Stephen. His next parochial assignments were: St. Stephen in North Huntingdon, PA. where he was the founding pastor of the new parish and St. Nicholas, Youngstown, OH.

In the Autumn of 1979, Monsignor Russell again returned to Rome for further study at the Gregorian University's Pontifical Institute for Eastern Studies. Here he first earned the Bac-

calaureate and Licentiate Degrees in the area of Eastern Church Studies and then on June 9, 1982, he publicly defended his doctoral dissertation entitled *The Byzantine Catholic Synod of Vienna of 1773* and he was awarded with "High Honors," the Degree of Doctor of the Theological Sciences of the Eastern Churches.

Remembrances

Sister Agnes Herbenick Enters into the Fullness of Life

Eager to complete her life's journey, Sister Agnes Herbenick (formerly Sister Stephen) was welcomed home by the Lord on Saturday afternoon, March 2, 2024, at Mt. Macrina Manor. The Manor was the last place of Sister's active ministry, and it was from there that she took the final steps into God's Kingdom. Her passing is felt deeply by all staff and residents alike, to whom she ministered as the pastoral care director for several years with great love and fidelity.

Sister Agnes was born in Lyndora, PA, the daughter of the late John & Mary (Katana) Herbenick. She entered the Sisters of St. Basil from St. John Byzantine Catholic Church in Lyndora on October 1, 1958, and made her Final Profession of Vows on August 22, 1964.

Sister Agnes devoted 50 years of her life to the ministry of education. It was a ministry that she enjoyed, and this was evident in the energy and good humor she brought to her students. She ministered in the parishes of Pittsburgh, Parma, and Pas-saic with a joy and bright spirit.

As it became apparent that the Lord would soon call her home, she had the opportunity to speak with a few family members. To one in particular, whose tears were apparent, she said, "Please don't cry. This is what I've

been waiting for my whole life." Even through the journey of death, Sister Agnes continues to teach all of us and model the grace and gentle spirit that were characteristics of her life.

Sister Agnes loved to laugh and found humor in the most mundane things. She had a love of life, her community and her family. As one of fourteen children, she had many nieces & nephews and grandnieces & nephews. She faithfully acknowledged birthdays, holidays, and celebrations throughout the year. She kept in touch with so many, even as she became weaker, she desired to stay in touch via a greeting card or text.

In his homily at the Divine Liturgy, Fr. Andrew Summer-son drew on the following Troparion for a woman-martyr: "O Jesus, your lamb ... cries out to you with great love. O my Bridegroom, I long for you in great pain. I long for you, and in baptism, I am buried with you. I suffer for your sake in order to reign with you. I die for you in order to live in you. Accept me as an immaculate victim since I am immolated for your love."

How appropriate that Sister's parents chose to name their youngest child Agnes, since this name became a fitting description for her life as expressed in this Troparion. We can place Sister Agnes' name before each phrase, which rings true for everyone who shared her life. Now, it

remains for us to pray the last phrase, "Through her intercession, O Merciful One, save our souls."

Sister Agnes was preceded in death by her parents and many siblings: John, Michael, Stephen, William, Joseph, George, Paul, Frank, Mary Stan-ko, Margaret, Ann, Helen Villani, and Andrew. In addition to the members of her community, she is survived by many devoted nieces, nephews, and their children.

Relatives and friends were received at the Monastery on Monday, March 4. Metropolitan Archbishop William Skurla celebrated the Funeral Divine Liturgy on Tuesday, March 5, in the Monastery Chapel. Concelebrants were Very Rev. Andrew Deskevich, Rev. Jerome Botsko, the Monastery Chaplain, and Rev. Andrew Summer-son, a former student of Sister Agnes at St. Mary's School in Cleveland, OH. Very Rev. James A. Spontak was in attendance.

Interment followed in the Dormition Section of Mount Macrina Cemetery.
