

GCU Option A Annuities

See Rate Sheet for Current Rates.

Fully Protected Principal. Your principal (sum of all deposits) is 100% protected by the GCU asset base—over \$660 million.

No Sales Charge. There is no sales charge for opening a GCU Option A. 100% of your principal is credited when your account is opened. There are no hidden service charges.

Monthly Interest Checks or Direct Deposit. GCU's Option A Annuities offer you the choice of receiving a monthly check from the interest income, of having the interest direct deposited into your checking or savings account or having the interest credited to a GCU Flexible, Flex-5 or Flex-10 annuity.

No Time Constraints. At any time you can withdraw the full amount or a partial amount of your Option A annuity, without any penalty.

Deposit Amounts. A GCU Option A annuity can be opened for any amount starting from \$5,000.
